

# *SEPTEMBER HAL Newsletter*

Hello HAL members and friends,

Well, we've made it through one of the hottest (with several meanings) summers on record. Let's see what the fall and winter have in store for us.

Shortly after September 10 (the deadline for sending photos of work), Dee Coviello will post on our website ([hamdenartleague.org](http://hamdenartleague.org)) paintings done by the plein air painters this summer. We hope you'll enjoy looking at them and maybe be inspired to go to the interesting places depicted. Thanks to Candace Klein who came up with painting locations week after week. Kudos also to Dee Coviello for keeping us up-to-date on our website.

The Hamden Senior Center at Miller Library, where we have our demos and exhibits, is still closed because of our Covid pandemic. But we are still an active art group and plan to go back to in-person demos and exhibits. MANY THANKS to those who have sent in dues to HAL, and a special thanks to those who sent MORE than the usual \$25 dues! It's great to have such support for our art club. And my final thanks to our great HAL Board during this crazy time.

Below is a membership form. Please fill it out and mail it to our Treasurer, Diane Chandler, even though you are not donating. We want to keep our records updated with cell and land phone numbers, addresses, etc. so we can keep in touch with you.

If you know of an art-related activity in the area please let me know, and we will post that information on our Facebook page and on our website.

Keep painting, creating, and looking forward to better times to come.

Regards,  
Rosemary Serfilippi
